GKIDS 2.0 Training Checklist
2023-2024
Returning Kindergarten Teachers

Returning kindergarten teachers, who previously completed GKIDS 2.0 training, are required to complete the training described below. This checklist will serve as school documentation for completed training and should be kept on file at the school level.

- ❖ Participate in any school-based kindergarten teacher training for the GKIDS 2.0 – a sign in sheet can be used to document attendance.

- ❖ Complete the following required modules in the GKIDS 2023-2024 Teacher Training Course:

    - ❖ Module 2: GKIDS Platform Overview
    - ❖ Module 4: Mathematics

- ❖ Access and review updated GKIDS 2.0 resources located on the GKIDS 2.0 website: https://www.gadoe.org/Curriculum-Instruction-and-Assessment/Assessment/Pages/GKIDS-2.0-Resources.aspx

I certify that I have completed any district or school training requirements for GKIDS 2.0 and the required modules in the GKIDS 2.0 Teacher Training Course in the GaDOE training module.
