

**Government and Public Administration Cluster  
MCJROTC Leadership Education VIII  
Course Number 28.04800**

**Course Description:**

This is the eighth course of Marine Corps JROTC. It includes classroom instruction and practical application of advanced tasks for cadets who have successfully completed the LE VII course. The course emphasizes the application of the skills acquired in the first seven Leadership Education courses and provides the cadet with practical experience in leadership and management experiences. Performance requirements for the course are based on successful completion of competencies according to the national Marine Corps JROTC curriculum. Successful completion of at least three units of credit in the Marine Corps JROTC program qualify the student for advanced placement in a college ROTC program or accelerated promotion in the military services.

**Course Standard 1**

**GPA-MCJROTCLEVIII-1**

The following standard is included in all CTAE courses adopted for the Career Cluster/Pathways. Teachers should incorporate the elements of this standard into lesson plans during the course. The topics listed for each element of the standard may be addressed in differentiated instruction matching the content of each course. These elements may also be addressed with specific lessons from a variety of resources. This content is not to be treated as a unit or separate body of knowledge but rather integrated into class activities as applications of the concept.

**Standard: Demonstrate employability skills required by business and industry.**

The following elements should be integrated throughout the content of this course.

**1.1 Communicate effectively through writing, speaking, listening, reading, and interpersonal abilities.**
